LIBERAL ORGANIZATION

From their website: *“People for Honest Politics came together because of our heartbreak over the unlawful and unconstitutional firing of our public library director. Mrs. Lesley was fired unlawfully, and no one in a position of authority would stop this action. She was fired because she was trying to protect our right to free speech, which includes our right to access information. A majority of the Library Board and the County Commissioners did not feel the need to stop. They made an “unlawful” decision based on their religious beliefs and their opinions,”*
