Candidate-submitted response. The answers below were received through the 2026 candidate survey form and are reproduced as submitted, with only formatting changes. Publicly researched positions were not used. Publication does not constitute an endorsement by Wyoming Family Alliance Action.

1

1. Abortion is the intentional act of ending the life of another human being, while in the womb. Lawmakers should work to promote and protect the value of human life from conception to natural death, rather than further expansions of abortion access. (HB126-2026; HB42-2025; HB 148-2024)

RESPONSE Strongly Agree

The right to life is precious!

2

2. The danger of chemical abortion has been heavily researched (see EPPC study). Lawmakers should work to ensure that women are fully informed and receive a medical examination prior to receiving such drugs. (HB64-2025; HB117-2026)

RESPONSE Strongly Agree

Of course women should be fully informed and receive medical treatment!

3

3. Individuals and faith-based entities should have the right of conscience to freely live out their sincerely held convictions without fear of government infringement or retaliation. (HB 207-2025; SF 77-2025)

RESPONSE Strongly Agree

Religious freedom is a cornerstone of our Constitution and should be protected for every American.

4

4. Medical personnel should not be required to participate in any medical procedure or service that conflicts with the individual's sincerely held moral, ethical, or religious beliefs. (SF111-2023; HB143-2026)

RESPONSE Strongly Agree

No one should be forced to violate their sincerely held moral, ethical, or religious convictions.

5

5. Lawmakers should protect minors by ensuring that government-funded spaces, including libraries and public schools, restrict access to sexually explicit content, while recognizing the right of parents to make decisions regarding their minor children's access to such materials. (HB10-2026)

RESPONSE Strongly Agree

Children deserve age-appropriate materials, and parents deserve the final say.

6

6. Wyoming should recognize biological differences between men and women and protect girls' sports, locker rooms, and sex-designated spaces. (SF 44-2025; SF 62-2025; HB 72-2025; HB 32-2025; SF133-2023)

RESPONSE Strongly Agree

My daughters (and I suspect every Wyoming female) totally agrees!

7

7. Lawmakers should support legislation that helps parents stand up to government entities that attempt to circumvent their rights in raising their children. (Sf 09-2024; HB 200-2025)

RESPONSE Strongly Agree

Parents are the primary decision-makers in their children's lives, and government should support-not undermine-their rights and responsibilities.

8

8. Lawmakers should allow education funding to follow the child and protect parents' freedom to choose public, public charter, private, or homeschool options. (HB 166-2024; SF 61-2024; HB 199-2025; HB 94-2025; HB 46-2025; HB 23-2026)

RESPONSE Agree

I support giving parents meaningful educational choices while ensuring that taxpayer dollars are used responsibly. Any publicly funded educational option should include appropriate accountability and demonstrate that students are receiving a quality education.

9

9. Lawmakers should support open enrollment policies that allow students to attend schools regardless of their geographic address. (SF 109-2025)

RESPONSE Strongly Agree

School of choice in Natrona County has made every school, program, teacher, activity or sport recognize they need to improve to attract students. Competition brings out the best in everyone.

10

10. Lawmakers should ensure that public schools and post-secondary educational institutions do not seek to enforce DEI (Diversity, Equity, and Inclusion) mandates, which promote discrimination by dividing individuals into classes of “oppressed” and “oppressor.” (SF 103-2025; HB 147-2025)

RESPONSE Strongly Agree

All students should be treated fairly and advancement or opportunity should be based on merit.

Candidate responses are shown verbatim except for typographic normalization needed for document rendering.
