1

1. Abortion is the intentional act of ending the life of another human being, while in the womb. Lawmakers should work to promote and protect the value of human life from conception to natural death, rather than further expansions of abortion access. (HB126-2026; HB42-2025; HB 148-2024)

RESPONSE Strongly Agree

I have consistently voted in favor of all legislation to defend the lives of the unborn.

2

2. The danger of chemical abortion has been heavily researched (see EPPC study). Lawmakers should work to ensure that women are fully informed and receive a medical examination prior to receiving such drugs. (HB64-2025; HB117-2026)

RESPONSE Strongly Agree

3

3. Individuals and faith-based entities should have the right of conscience to freely live out their sincerely held convictions without fear of government infringement or retaliation. (HB 207-2025; SF 77-2025)

RESPONSE Strongly Agree

4

4. Medical personnel should not be required to participate in any medical procedure or service that conflicts with the individual's sincerely held moral, ethical, or religious beliefs. (SF111-2023; HB143-2026)

RESPONSE Strongly Agree

5

5. *Lawmakers should protect minors by ensuring that government-funded spaces, including libraries and public schools, restrict access to sexually explicit content, while recognizing the right of parents to make decisions regarding their minor children's access to such materials. (HB10-2026)*

RESPONSE Strongly Agree

6

6. *Wyoming should recognize biological differences between men and women and protect girls' sports, locker rooms, and sex-designated spaces. (SF 44-2025; SF 62-2025; HB 72-2025; HB 32-2025; SF133-2023)*

RESPONSE Strongly Agree

7

7. *Lawmakers should support legislation that helps parents stand up to government entities that attempt to circumvent their rights in raising their children. (Sf 09-2024; HB 200-2025)*

RESPONSE Strongly Agree

8

8. *Lawmakers should allow education funding to follow the child and protect parents' freedom to choose public, public charter, private, or homeschool options. (HB 166-2024; SF 61-2024; HB 199-2025; HB 94-2025; HB 46-2025; HB 23-2026)*

RESPONSE Strongly Agree

I believe that government should eventually have no role in children's education - it should strictly be under the discretion and responsibility of the parents.

9

9. *Lawmakers should support open enrollment policies that allow students to attend schools regardless of their geographic address. (SF 109-2025)*

RESPONSE Strongly Agree

I agree with this statement as long as it does not increase per pupil funding or increase taxpayer burden.

10

10. *Lawmakers should ensure that public schools and post-secondary educational institutions do not seek to enforce DEI (Diversity, Equity, and Inclusion) mandates, which promote discrimination by dividing individuals into classes of "oppressed" and "oppressor." (SF 103-2025; HB 147-2025)*

RESPONSE Strongly Agree
