Candidate-submitted response. The answers below were received through the 2026 candidate survey form and are reproduced as submitted, with only formatting changes. Publicly researched positions were not used. Publication does not constitute an endorsement by Wyoming Family Alliance Action.

1

1. Abortion is the intentional act of ending the life of another human being, while in the womb. Lawmakers should work to promote and protect the value of human life from conception to natural death, rather than further expansions of abortion access. (HB126-2026; HB42-2025; HB 148-2024)

RESPONSE Strongly Agree

Life is a God given gift with intrinsic value.

2

2. The danger of chemical abortion has been heavily researched (see EPPC study). Lawmakers should work to ensure that women are fully informed and receive a medical examination prior to receiving such drugs. (HB64-2025; HB117-2026)

RESPONSE Strongly Agree

Besides murdering the baby, it can cause serious health problems for the mother including death. The drugs also enter into the water supply creating more health problems downstream.

3

3. Individuals and faith-based entities should have the right of conscience to freely live out their sincerely held convictions without fear of government infringement or retaliation. (HB 207-2025; SF 77-2025)

RESPONSE Strongly Agree

It's their God-given right.

- 4** *4. Medical personnel should not be required to participate in any medical procedure or service that conflicts with the individual's sincerely held moral, ethical, or religious beliefs. (SF111-2023; HB143-2026)*

RESPONSE Strongly Agree

It's their God-given right.

- 5** *5. Lawmakers should protect minors by ensuring that government-funded spaces, including libraries and public schools, restrict access to sexually explicit content, while recognizing the right of parents to make decisions regarding their minor children's access to such materials. (HB10-2026)*

RESPONSE Strongly Agree

We should stand against vices for all people.

- 6** *6. Wyoming should recognize biological differences between men and women and protect girls' sports, locker rooms, and sex-designated spaces. (SF 44-2025; SF 62-2025; HB 72-2025; HB 32-2025; SF133-2023)*

RESPONSE Strongly Agree

This is common sense.

- 7** *7. Lawmakers should support legislation that helps parents stand up to government entities that attempt to circumvent their rights in raising their children. (Sf 09-2024; HB 200-2025)*

RESPONSE Strongly Agree

It was always the people's government. For the people and by the people.

- 8** *8. Lawmakers should allow education funding to follow the child and protect parents' freedom to choose public, public charter, private, or homeschool options. (HB 166-2024; SF 61-2024; HB 199-2025; HB 94-2025; HB 46-2025; HB 23-2026)*

RESPONSE Strongly Agree

Parents should make the decision for their children.

- 9** *9. Lawmakers should support open enrollment policies that allow students to attend schools regardless of their geographic address. (SF 109-2025)*

RESPONSE Agree

Parents should make the decisions for their children's education.

- 10** *10. Lawmakers should ensure that public schools and post-secondary educational institutions do not seek to enforce DEI (Diversity, Equity, and Inclusion) mandates, which promote discrimination by dividing individuals into classes of "oppressed" and "oppressor." (SF 103-2025; HB 147-2025)*

RESPONSE Strongly Agree

As a society we should uphold Judeao Christian principles.
