*1. Abortion is the intentional act of ending the life of another human being, while in the womb. Lawmakers should work to promote and protect the value of human life from conception to natural death, rather than further expansions of abortion access. (HB126-2026; HB42-2025; HB 148-2024)*

**RESPONSE** Strongly Agree

Life is a fundamental right of all people (born or unborn) given by our Creator. Nobody should be deprived of their life without due process of law. The unborn cannot commit crime and are the most vulnerable in society. The unborn must be protected.
