Candidate-submitted response. The answers below were received through the 2026 candidate survey form and are reproduced as submitted, with only formatting changes. Publicly researched positions were not used. Publication does not constitute an endorsement by Wyoming Family Alliance Action.

- 1** *1. Abortion is the intentional act of ending the life of another human being, while in the womb. Lawmakers should work to promote and protect the value of human life from conception to natural death, rather than further expansions of abortion access. (HB126-2026; HB42-2025; HB 148-2024)*

RESPONSE Strongly Agree

I voted for all 3 bills listed

- 2** *2. The danger of chemical abortion has been heavily researched (see EPPC study). Lawmakers should work to ensure that women are fully informed and receive a medical examination prior to receiving such drugs. (HB64-2025; HB117-2026)*

RESPONSE Strongly Agree

I voted for both bills listed above. Furthermore, I voted to override the Governor's veto of HB0064 Chemical abortions - ultrasound requirement.

- 3** *3. Individuals and faith-based entities should have the right of conscience to freely live out their sincerely held convictions without fear of government infringement or retaliation. (HB 207-2025; SF 77-2025)*

RESPONSE Strongly Agree

I voted for both bills listed above. SF0077 became law without the Governor's signature.

- 4** *4. Medical personnel should not be required to participate in any medical procedure or service that conflicts with the individual's sincerely held moral, ethical, or religious beliefs. (SF111-2023; HB143-2026)*

RESPONSE Strongly Agree

I wasn't there in 2023. I voted for HB0143, but it went no further.

5

5. Lawmakers should protect minors by ensuring that government-funded spaces, including libraries and public schools, restrict access to sexually explicit content, while recognizing the right of parents to make decisions regarding their minor children's access to such materials. (HB10-2026)

RESPONSE Strongly Agree

I voted for HB0010. It was defeated by the Senate.

6

6. Wyoming should recognize biological differences between men and women and protect girls' sports, locker rooms, and sex-designated spaces. (SF 44-2025; SF 62-2025; HB 72-2025; HB 32-2025; SF133-2023)

RESPONSE Strongly Agree

I voted for every bill listed above except SF0133 which occurred when I wasn't in the House.

7

7. Lawmakers should support legislation that helps parents stand up to government entities that attempt to circumvent their rights in raising their children. (Sf 09-2024; HB 200-2025)

RESPONSE Strongly Agree

SF009 was presented when I wasn't in the House. I voted for HB0200, it passed the House but failed in the Senate.

8

8. Lawmakers should allow education funding to follow the child and protect parents' freedom to choose public, public charter, private, or homeschool options. (HB 166-2024; SF 61-2024; HB 199-2025; HB 94-2025; HB 46-2025; HB 23-2026)

RESPONSE Strongly Agree

I wasn't in the House in 2024, so I didn't vote on those bills. I voted for all of the listed bills in 2025. I voted against HB123 as it provided for rule making authority to be granted and had some provisions opposed by my constituents.

9

9. Lawmakers should support open enrollment policies that allow students to attend schools regardless of their geographic address. (SF 109-2025)

RESPONSE Strongly Agree

I voted for SF109 but it wasn't able to get the 2/3 vote required for introduction during the budget session

10

10. Lawmakers should ensure that public schools and post-secondary educational institutions do not seek to enforce DEI (Diversity, Equity, and Inclusion) mandates, which promote discrimination by dividing individuals into classes of "oppressed" and "oppressor." (SF 103-2025; HB 147-2025)

RESPONSE Strongly Agree

I voted for both bills listed above; unfortunately, Governor Gordon vetoed SF0103 after we had adjourned for 2025. I will also mention that I also voted to stay 1 more day so as to protect bills which we believed the Governor would veto.

Candidate responses are shown verbatim except for typographic normalization needed for document rendering.
